MM Docket No. 95-152

In the Matter of

Amendment of Section 73.202(b), RM-8700
Table of Allotments,
FM Broadcast Stations.
(Brackettville, Texas)

NOTICE OF PROPOSED RULE MAKING

Adopted: September 20, 1995; Released: September 29, 1995

Comment Date: November 20, 1995

Reply Comment Date: December 5, 1995

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Tim Walker ("petitioner"), requesting the allotment of Channel 234A to Brackettville, Texas, as the community's first local aural transmission service. Petitioner states he will apply for Channel 234A, if allotted.¹

2. We believe petitioner's proposal warrants

¹ Although petitioner's request indicates that the original copy of his proposal was signed, petitioner failed to include a affidavit verifying that the statements contained in his petition were accurate to the best of his knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel must be signed and verified by the party and his/her address stated. In absence of such verification, the petition may be dismissed. Section 1.420(b) of the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and certifications. See also Amendment of Section 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3911, n.42 (1990). Petitioner is requested to rectify this omission in his comments.

consideration since it could provide Brackettville² with its first local FM service. Channel 234A can be allotted to Brackettville in compliance with the Commission's minimum distance separation requirements with a site restriction of 0.7 kilometers (0.4 miles) south in order to avoid a short-spacing conflict with licensed site of Station XHTA(FM), Channel 233A, Piedra Negras, Coahuila, Mexican.³ Since Brackettville is located within 320 kilometers (199 miles) of the U.S.-Mexican border, concurrence by the Mexican government will be solicited.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Brackettville, Texas	--	234A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **November 20, 1995**, and reply comments on or before **December 5, 1995**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

P.O. Box 447
Hondo, Texas 78861
(Petitioner)

² According to the 1990 U.S. Census, Brackettville is an incorporated community with a population of 1,740.

³ The coordinates for Channel 234A at Brackettville are North Latitude 29-19-00 and West Longitude 100-25-03.

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202)418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding.
